Principal Report

Kia ora,

Swimming is over for the year, and a lot of confidence and skills were developed! Thank you to everyone who supported us during the past few weeks, especially Mrs McBain who helped us get to swimming when the bus wasn't running.

It is timely that we ensure our contact details are current. On Wednesday, we sent home a record of your current contact details held by Otama School. Please update these if necessary. It would be much appreciated if you could give us permission to share these details with the other Otama School families to make things easier in the event of unusual events such as bus cancellations.

This week, we have spent some time doing tests of reading, writing, and mathematics. Our students have had some fantastic successes already this year. I will share these successes in a written report in the upcoming weeks.

Congratulations to...

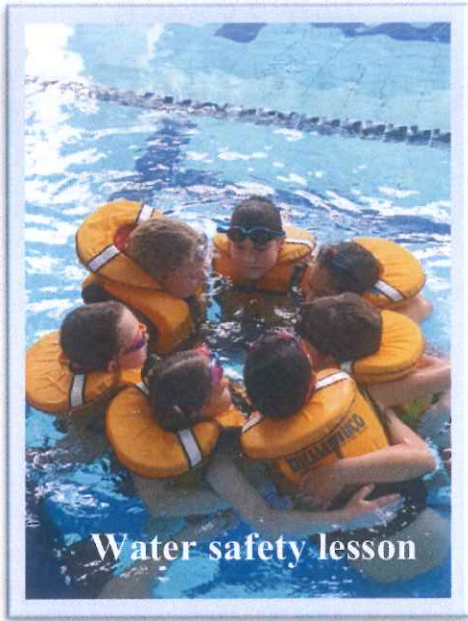

Jack, for being an efficient problem solver. Well done!

Kewene, for taking his time to complete assessments thoroughly. Well done!

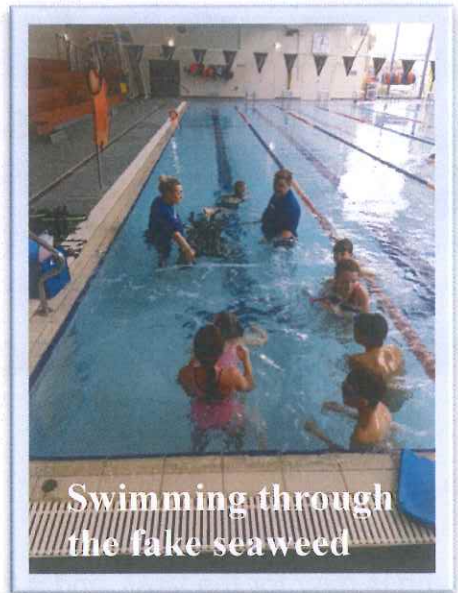

Have a great weekend.

Samuel Smith
