

Principal Report

Kia ora,

The weather was against us today, but we managed to have a celebration and awards for sand saucers and baking. Since the weather is likely to be bad for at least a week, we have decided that we will not hold a postponement day on Monday. Nicole, Christopher, Heremaia, and Mrs Lawrence spent a lot of time planning and organising Pet Day, so we are hoping that we can have a follow-up event in the coming weeks.

On Monday, it was a privilege to support Heremaia as he received his Gore Rotary Club's Young Achiever's Award. Here is an excerpt from the citation honouring Heremaia:

"Heremaia led our school kapa haka group and took the role of kaitataki in the haka powhiri. As a keen advocate for the environment, he has boldly written letters to the council and questioned Members of Parliament about environmental sustainability. Heremaia's ongoing growth as a learner has helped him to self-manage and think deeply about his learning goals. There is no doubt that he has the skills and habits to succeed in his future education."

Have a great weekend.
