SCHOOL EGGS

Well done to the senior children of Otama school for the tremendous effort they put into looking after and caring for their hens.

If you would like some fabulous eggs, phone our office to order your eggs and we will let you know when we have a full dozen.

\$4 per dozen, thank you.

Principal Report

All the students have now completed their letters for their grandparents (or replacement grandparents) to invite them to Grandparents Day. We will be having a shared lunch at 12:00pm and would appreciate a food item from each family for this. At 1:00pm we will be presenting an assembly with items that we have been putting together all term. Please note that this event is not only for grandparents. All community members and parents are more than welcome to join us for lunch and the assembly and it is a great time to catch up with people you might not have seen for a while.

A reminder that on Monday 18 September we will be starting a week long Book Fair. During this week parents, grandparents and any other interested people are welcome to come to school to look through the new books we will have on display and buy some to read at home or as presents. This is a fundraiser for our school and we will get a percentage from each book sold to spend on books for our library. It is no coincidence that this coincides with Grandparents Day! As part of Book Fair week we will be having a book character day on Wednesday 20th for everyone to dress up. Some of the students are coming up with great ideas so it should be a really fun day.

Junior Room Report

Hi all,

We have finished our letters to our grandparents and are ready to send these away. If you have not sent the address, to which these need to be sent, to school with your child or in an email, please do this ASAP so that we can send them.

Students have been working on their items to share at grandparent's day assembly and are looking forward to showing everyone their learning.

We have been fortunate enough to get some new books for the library. These will be entered into the school library system soon and available for students to get out.

Next week is Maori Language Week so we will be practising some of our Te Reo Maori as well as completing some activities. We have already been practicing a welcoming song to sing at grandparent's day.

We also have the sports activator again on Wednesday, so please ensure students have appropriate footwear.

Enjoy the weekend,

Miss den Boon

To all Parents

We have one scrap bucket going home to families on a weekly basis. This is only for families that do not have animals that they feed their scraps to. There is a note attached explaining what can/can't go in the bucket
